

Resident student tuition 2018 monthly payments

For fees paid via set instalments

Tuition fees, sundry costs and other charges can be paid in regular instalments via the direct debit system. The 12 payments are paid January – December each year and can be made via the direct debit system or parent initiated transfer from your bank account.

Please note that it is your responsibility to ensure that you have sufficient clear funds available by each due date. A \$25 administration fee will be charged to your account each time your financial institution rejects an attempt by us to process your payment.
